

Congratulations on qualifying for the Wrangler Junior High Finals in Gallup, New Mexico!

I am pleased to announce this special opportunity for all 8th grade finals competitors courtesy of Wrangler. In addition to all of the other great things this company does for us, they have announced they will be awarding an Academic Scholarship to one 8th grade cowboy and cowgirl at the 2009 WJHFR. The scholarship for each contestant is \$1,000.

The following outlines the criteria for this award:

- **Student must have qualified through state/provincial finals for the 2009 WJHFR**
- **Student must be in the 8th grade.**
- **Student must complete the scholarship application and return it to the rodeo office in Gallup, New Mexico by Sunday, June 28th 7:00 a.m.**
- **Student must be available during the finals for an interview and check in the rodeo office for their scheduled interview time.**

I would strongly suggest you include activities you have volunteered your time and efforts toward an activity where it wasn't mandatory or a set expectation.

If you have any questions regarding this scholarship just let me know. It is important this application is filled out completely. Also, make sure you fill out the original application. Do not create a different one. They will schedule interviews at the finals based on the number of applications they receive by the deadline.

Good Luck
