Idaho Wrangler All-Star Team Member,

Congratulations on making the Wrangler All-Star Team – what an exciting accomplishment.

I am proud to announce that as a part of your All-Star Title you will be an event director at the 2009 Idaho Wrangler State Finals. Your duties will include being present while the event is taking place as well as reading and understanding the rules of your event. You will work with the adult directors to make sure your event is organized and running smoothly.

Please understand that if there is a question concerning your event a competitor and only a competitor can approach you with a question. I urge you to have a current rulebook in your back pocket during your event. Rulebooks should have been handed out at your district meetings. If you need any additional rulebooks just let me know. Remember, the rulebooks will now be used for two year increments.

For the timed event directors, please make sure you have three contestants help line your cattle for each section and performance.

I look forward to working with you. If you have any questions feel free to call me and again congratulations on your leadership role.

Thank you,
