CURRENT MEMBERS

We are excited to report that all Wrangler Division Districts are being allowed to rodeo with the Idaho High School Rodeo district rodeos. This is the case in seven out of the eight districts in Idaho. This is an exciting step for your association. In order to be eligible to rodeo with the high school it is important you complete some basic housekeeping items.

1. Send in a copy of your 1st quarter of the current school year's grade report.
2. Due to the current economical times the board of directors has addressed the need to raise additional funds for the Wrangler Division. This is due to several large sponsors not being in the position to sponsor rodeos. Because of these financial difficult times, the Idaho Wrangler Division Board voted to have each individual member contributes a \$25.00 fundraising amount. These funds are needed for awards and contribute to the continued financial sustainability of the association. Please send in your \$25.00 directly to the above address. Understand this is a mandatory fundraising expectation and must be submitted by **April 1, 2010**. Any member that does not submit this amount by that due date **will not** be eligible to rodeo.

The N.H.S.R.A. has recently concluded their mid-winter meeting. With this meeting have been several rule changes. Please check the website periodically for these rule changes and any additional information that might apply to you.

Please send me photos of any Wrangler Division contestants at the high school rodeos. I look forward to hearing how all of you do at these practice rodeos.
